

GDS, CBT, AND MOBILE BOOKING TOOL

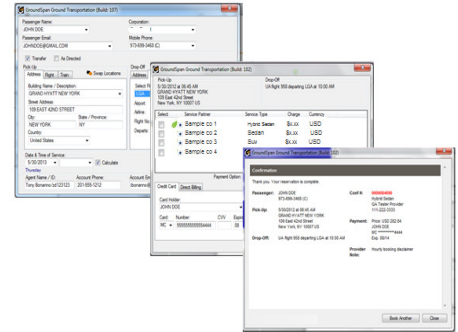

VITESSE WORLDWIDE

in partnership with:

Groundspan- A multi-vendor booking tool for Corporations and Travel Agencies!

- Fully integrated GDS booking capability leveraging PNR data
- Available for all GDS systems
- Integrated with the leading online Corporate Booking Tools (i.e.: Concur Travel)
- No cost to corporations and agencies...lower costs for vendors
- Global content...over 3,000 vendors available
- Easy, turn key implementation

The Groundspan™ platform brings together agencies, corporate travelers and ground transportation companies into a marketplace that is accessible from anywhere and at any time.

Key Benefits:

- ✗ Seamless integration with leading CBTs, GDS systems and mobile devices
- ✗ Agency ability to support bookings from all channels
- ✗ Supports client preferred vendors/rates
- ✗ Seamless integration with ground providers
- ✗ Real time pricing prior to purchase
- ✗ Immediate confirmations
- ✗ Monitor, manage, and automate ground travel spend
- ✗ Easy to understand reporting
- ✗ No mark ups - same price as going direct to vendor
- ✗ Ease of booking – no need to remember multiple vendor phone numbers or websites
